

Quentin Gonzalez

Brooklyn, NY 11209 | (646) 645-9023 | g.gonz95@gmail.com

Objective

Complex problem-solver with an analytical and driven mindset. Dedicated to achieving demanding development objectives. Seeking a software engineering position at a company where I can use my skills and passion to create innovative solutions.

Education

General Assembly, Remote (10/2022 - 1/2023)

- Software Engineering Immersive Course

Borough Manhattan Community College New York, NY (2014 - 2017)

- Associates Degree in Liberal Arts

Experience

Fellow:

General Assembly, Remote (10/2022 - 01/2023)

- Completed a full-time, intensive software engineering course covering a variety of programming languages and technologies
- Projects included building a full-stack web application, creating a machine learning model, and developing a mobile app

Personal Trainer:

Equinox Hudson Yards, New York, NY (2021-2022)

- Designed and implemented personalized fitness plans for clients of all fitness
- Led group fitness classes and provided one-on-one training sessions
- Educated clients on proper exercise form and nutrition
- Utilized customer service skills to build and maintain positive relationships with clients

Skills

- Proficient in Python, JavaScript, HTML, CSS, and SQL
- Experience with frameworks such as Django, ReactJs, JQuery, Express
- Knowledge of agile software development methodologies
- Experience using Github, Slack, and Trello
- Strong problem-solving and communication skills
- Demonstrated ability to learn and adapt to new technologies quickly

Transferable Skills

- Communication: Explain complex concepts and ideas to clients in a clear and concise manner
- Time Management: Effectively juggled multiple clients and planned workouts
- Attention to details: Ability to pay close attention to form and technique to ensure that the client is using proper form and avoiding injury
- Adaptability: Able to adapt my approach to meet the needs of different clients
